Capability Statement

Overview

Jewel Enterprises LLC, established in 2022, is a Service-Disabled Veteran-Owned Small Business and Minority-Owned Business dedicated to providing exceptional maintenance, repair, and operations (MRO) services for federal, state, and municipal projects. Our team specializes in comprehensive landscaping solutions, HVAC systems, mechanical, and electrical maintenance services. We are committed to delivering high-quality and reliable services, ensuring all projects meet stringent federal standards. Our strong client relationships with key federal and state agencies underscore our commitment to excellence.

Core Competencies

- Comprehensive landscaping solutions such as lawn mowing, tree trimming, and grounds maintenance.
- Maintenance and repair for HVAC systems, ensuring optimal performance and energy efficiency.
- Mechanical services to replace and maintain recreational equipment.
- We also perform general maintenance to ensure the smooth operation of government infrastructure.

Differentiators

- **Service-Disabled Veteran-Owned Small Business:** This designation allows us to bring unique perspectives and dedicated services to our clients.
- **Nationwide Service Coverage:** We mobilize quickly and efficiently across various geographic locations, including Texas, Washington State, Delaware, and Virginia.
- **Customer-Centric Approach:** We focus on building strong relationships through excellent communication and service.
- **Commitment Quality:** Our meticulous approach ensures that all services meet the stringent standards required by federal government contracts.
